#### IMPORTANT WATER DISTRICT INFORMATION:

Exciting times for the PWSD #5! We are continuing with the new well and pump house construction project.

The site clearing and rock removal has begun and is being performed by Kenny Carroll Excavating.

The district engineer is Darren Krehbiel of Krehbiel Consultants. Two bids were received for the drilling of the well and pump house.

PWSD#5 Board of Directors are in conversations with Old Kinderhook representatives and we hope to partner with them to provide water services with the new well. A decision will be made by early 2024.

The initial funds for the project are via Camden County ARPA (American Rescue Plan Act) and is a grant.

**Rate Increase** – At the November Board meeting, the Directors unanimously voted to increase rates minimally (\$2) monthly and will be reflected on your January Bill. This will cover additional debt service or equipment replacement.

**Board Meetings** are held monthly, the 3<sup>rd</sup> Tuesday of every month. Locations change so please email if you would like to come or need information. [Pwsdno5@gmail.com](mailto:Pwsdno5@gmail.com)

#### NEW MAILING ADDRESS

Covid showed us we could work any where we wanted to. Bonnie Burton who has been with the Water/Sewer District since 2010 as the Clerk – Board Member – Bookkeeper has moved. Due to Bonnie's vast knowledge, we are keeping her on with the district.

Bonnie is still your first person to call if you notice a water or sewer problem or if you have questions or a billing issue. The following is the information you will need.
